Mr. Russell Vandenberg, CFE  
General Manager  
Seaside Civic and Convention Center  
415 First Avenue  
Seaside, OR 97138

Dear Mr. Vandenberg,

I spoke at the Executive Leadership Training Seminar put on by the Oregon Association of Chiefs of Police on January 18th at the Center. I am a national speaker and trainer with over ten years experience.

I am writing to commend your operations staff — Frank, John, Nick, Roy, Andy and Jeff — who assisted me the day before and the day of my presentation. I have had the opportunity to work with some of the country's best operations staff and I count this crew amongst them. All of these gentleman were knowledgeable, efficient, and personable, but it was their initiative that stood out. They anticipated my needs before I did and ensured they were met. They had a self-assured, "can do" attitude — even in the face of technical challenges. They made me feel like I was in the best of hands so I could concentrate on my audience.

You, the Center, and the town of Seaside are well-represented by these men who meet a national gold standard. In audio-visual equipment operations and technology. I hope you will share this commendation with each of them.

Sincerely,

Valerie Van Brocklin
