

The Safety and well-being of our Attendees, Employees and the community we serve has always been our top priority. Never has that duty to serve been clearer than it is now.

That is why we are making several changes to many of our procedures to employ stringent Cleaning and Safety practices to support the health and wellness of our most valuable assets. YOU!

The Following safety practices are now in place to protect our attendees and employees to support your health and wellness.

Everything You Need to Know

We have added multiple layers of stringent cleaning and disinfecting:

- Before each day we wipe down all surfaces and touch points throughout the facility.
- Hand sanitizer stations will be available at all main entrances and elevators.
- We have placed signage in all public restrooms reminding everyone to wash their hands after each use.
- We have aligned these stringent cleaning policies and procedures with guidance from the Centers for Disease Control and Prevention.

We have added new physical-distancing practices:

- We have placed safe distance reminders in all pre-function areas.
- We are prepared to modify event configurations to meet all state and Federal safe distance and gathering guidelines.

**Information is subject to change according to current recommended guidelines*
